Professional Summary:

I am a highly motivated sophomore in college pursuing a Bachelor's degree in Computer Science. I am seeking entry-level positions to apply and enhance technical skills. I am certified in CompTIA Security+, CompTIA A+, Microsoft Office Specialist Excel Associate, Microsoft Office Specialist Access Expert, and College of Central Florida Computer Information Data Specialist. I am also experienced in building large-scale web applications using Python, HTML, and JavaScript. I am also proficient in prompt engineering and working with AI and Language Models (LLMs). I am a detail-oriented problem solver with strong communication and teamwork skills. I like to stay current with industry trends and am eager to contribute skills, learn from experienced professionals, and develop innovative solutions in technology.

Areas of Expertise:

- Software Developer/Debugging
- Troubleshooting OS and Applications
- A+ and Security Certified
- Cybersecurity

Professional Experience:

Front-End Developer Intern

RealSpark Learning – Ocala, FL (2022 – Present)

- Assist in the design and troubleshooting of the SparkChat AI application.

Kitchen Staff

Chick-fil-a – Lake Mary, FL (2020 – 2021)

- Work in the kitchen to prepare food and clean equipment.

Guest Host - Ticketing

Ark Encounter – Williamstown, KY (2018 – 2019)

- Provided exceptional guest experiences and sold tickets to the attractions.

Education:

Computer Information Data Specialist, College of Central Florida
Associates Computer Information Technology, College of Central Florida (Complete Fall 2023)
BS Computer Science (Start Spring 2024)
